OUR VISION

To be a world-class centre for engineering, technology, and management, empowering individuals ethically to lead, innovate and thrive in an ever-evolving global landscape and create socially responsible citizens.

Late Shri T.D. ESWARAMOORTHY, M.Sc
Founder & Chairman (ECET)

FOUNDERS MESSAGE

EASA College of Engineering and Technology is a vibrant technical institute of higher education with the aim of imparting high-quality instruction, training, and fostering research in science, engineering, and technology with a futuristic and global outlook. Established in the year 2008 under the aegis of the trust - EASA Foundations, EASA College offers several advantages including its strong science and technology base, abundant educational and research resources, a diverse cultural mosaic, and an impressive entrepreneurial history.

With the founder's motto being "Education will liberate all" and "Service to Society is Service to God", EASA College aims to prepare students to make impactful contributions to society. It offers a world of opportunities for internal exploration and self-discovery, enabling students to grow and transform while pursuing their academic goals.

Affiliated with Anna University, Chennai, and approved by AICTE, New Delhi, the college has emerged as one of the premier engineering colleges in 15 years, offering seven undergraduate and seven postgraduate programs. The institution holds the prestigious NAAC "A" Grade and has been recognized under section 2F by University Grants Commission, New Delhi.
